

## Annual Golf Tourney a Great Success!

WLA's Annual Golf Tournament was held on May 8th at The Orchards Golf Club in Belleville. We enjoyed perfect weather amidst a week of rain and participants left with BIG prizes including TVs, grills, Cardinals tickets and more. A big thank you goes to Beth Boggs and her team who once again organized this tremendous event with proceeds going to the Linda J. Murphy Scholarship Fund for Women Law Students. With the generous help of Beth's team, WLA members, volunteers and participants, the tournament raised funds allowing the WLA to award four scholarships this year to deserving female law students from SLU, WashU, UMKC and SIU.

## 'Atta Girl, Beth Boggs

Beth Boggs has done it again, pulled off a widely successful WLA golf tournament with her team of skillful planners! WLA is extremely grateful for all of the hard work Beth puts in every year to host the golf tournament. Thanks Beth, from the WLA Board, for so generously volunteering your time and talent to help raise funds to award scholarships in memory of Linda J. Murphy.
